

Assignment-JAVA

/*

Topic-Basic java

Question 1 :Write a simple program to display “welcome java” on screen.

[Welcome.java]

*/

```
package classes_Object;                                //package import
public class Welcome                                   //Declare a class
{
    public static void main(String args[])             //main function
    { System.out.print("Welcome Java");                 //print function
    }
}
```

OUTPUT
